

Dear Friends, Families, and Businesses -

The Martin Luther King in CT Memorial Project is fundraising to erect a permanent memorial in the center of Simsbury detailing the impact that Dr. King's experience living in our community had on him, his call to ministry, and his passion for civil rights. Please visit **MLKinCT.com** to learn more.

Purchasing a personalized tax deductible, engraved brick is a great way to support and develop a personal "attachment" to this project.
